

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Ting-Mao Chao on Friday, September 24, 2010.

The application has been amended as follows:

In the Amendment filed on 7/12/2010:

Claim 1, line 6, after "wherein" insert –one of the extrusions defines an outer wall of the pump enclosure,--,

Claim 1, line 7, after "at least one pipe" insert –extending inside the outer wall of the pump enclosure and--,

Claim 1, line 7, after "the pipe" insert –also--;

Claim 6, lines 1-2, replace "one of the extrusions comprises an outer wall of the pillar, the outer wall including" by –the outer wall includes--.

Allowable Subject Matter

2. Claims 1-2, 5-12, and 14-16 are allowed. Claims 5-12, and 14-16 have been renumbered as 3-10, and 11-13, respectively.
3. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or fairly suggest, in combination with all the elements recited in claim 1, one of the extrusions defines an outer wall of the pump enclosure, at least one

Art Unit: 3637

of the extrusions is profiled on an outer surface thereof to receive at least one pipe extending inside the outer wall of the pump enclosure and through which coolant fluid passes in use, the pipe also extending outside the housing defined by interconnected extrusions and substantially in parallel with the pillar.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to HANH V. TRAN whose telephone number is (571)272-6868. The examiner can normally be reached on Monday-Thursday, and alternate Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Darnell M. Jayne can be reached on (571) 272-7723. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
